

**Compatible with:**

**Warnings:**

Carefully read all instructions and review the images before attaching.

**Do not** attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

1. Attaching the Angled Extension Plate directly onto a ProClip Vehicle Mount: Place the Angled Extension Plate over the matching holes in the Vehicle Mount and attach it with the 4 applicable screws.

2. Attaching the Angled Extension Plate directly onto a ProClip Vehicle Mount with a Tilt Swivel: Attach the Tilt Swivel Mount to the ProClip Vehicle Mount. The Tilt Swivel Mount allows for better adjustment and viewing.

3. Place the Angled Extension Plate over the matching holes in the Tilt Swivel Mount and attach it with the 4 applicable screws.

4. Adjust the angling if you use the Tilt swivel Mount. Attach your Holder to the Angled Extension Plate.
