

Compatible with:

Honda Fit 2006 - 2008 (US)
Honda Jazz 2005 - 2008 (EU)

Warnings:

Carefully read all instructions and review the images before attaching.

Do not attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

1. Peel off the adhesive tape covers on the ProClip. Pull out the rubber covering and hook the angled left edge of the ProClip behind the edge.

2. Press forwards on the right side of the ProClip so the long right end hooks behind the edge by the window.

3. Press on the ProClip so it hooks into place properly.

4. The ProClip is in place.
