Installation Instruction

Overview Picture

Please read all of the instructions and look at the pictures before attaching the ProClip.

ProClip USA may not be held liable for any damage to a vehicle before, during or after the installation or removal of this Holder.

ProClip USA may not be held liable for any personal injury resulting from accident or improper use or installation.

The ProClip Holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply.

1.
Loosen the wheel nuts on the back of the holder.

2.
Pull the sidewalls of the holder away from each other to make the holder wider.

3.
Place the iPod into the holder and at the same time press the sidewalls of the holder, towards the iPod, to the point where the iPod will slide smoothly in and out of the holder.

4.
While pressing the sidewalls of the holder towards the iPod tighten the wheel nuts on the back of the holder. The holder has now been customized/adjusted to fit your iPod.
