

Item No. 852823 - ProClip Center Mount

Compatible with:

Nissan Almera 2000 - 2002 (EU) | Nissan Sentra 2000 - 2006 (US)

ONLY for models with the coinbox compartment above the air vents.

Warnings:

Carefully read all instructions and review the images before attaching.

Do not attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

1. Open the hatch to the coin box. Press the thin end of the enclosed gap opener into the gap between the stereo and the frame surrounding the air vents to widen the gap. Peel off the cover of the adhesive tape on the ProClip. Press the upper part of the ProClip, with angle, into the gap between the coin box and the surrounding frame.

2. and 3. Press the lower part of the ProClip, with adhesive tape, into the gap next to the gap opener. Pull out the gap opener.

3. The ProClip is now in place as shown here and in the overview picture.

4. The ProClip is in place.
