

Item No. 853095 - ProClip Angled Mount, Low

PROCLIP[®]
Installation Instructions

Compatible with:

Infiniti G35 Coupe 2003 - 2004
Infiniti G35 Sedan 2003 - 2004

ONLY for models with Automatic Shift.

Warnings:

Carefully read all instructions and review the images before attaching.

Do not attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

Press the thin end of the enclosed gap opener into the gap in the center console sidewall to widen it. Peel off the cover of the adhesive tape on the ProClip.

Open the ashtray and place the angled edge on the left side of the ProClip into the gap between the ashtray door and center console panel.

Press firmly forward on the right side of the ProClip so the angled edge snaps into the gap in the console sidewall above the gap opener. Pull out the gap opener.

The ProClip is in now place as shown in the overview picture above.
