

Item No. 853256 - ProClip Center Mount

Compatible with:

Ford Explorer 2002 - 2005
Mercury Mountaineer 2002 - 2005

Note: The ProClip can be attached on either side of the air vent. The instructions below apply for both placements.

Warnings:

Carefully read all instructions and review the images before attaching.

Do not attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

1. Press the thick end of the enclosed gap opener into the gap between the stereo and the surrounding frame, to widen the gap. Peel off the cover of adhesive tape on the ProClip.

2. Press the angled edge on the upper part of the ProClip into the gap next to the gap opener. Pull out the gap opener.

3. Press upwards and forward on the lower part of the ProClip so the grooved edge hooks over the air vent edge. Press down on the inner side of the ProClip to make sure the grooved edge snapped properly into place. Adjust the air vent.

4. The ProClip is in place.
