

**Compatible with:**

Jeep Grand Cherokee 2005 - 2007

**ONLY for models with integrated Navigation/Information Screen**

**Warnings:**

Carefully read all instructions and review the images before attaching.

**Do not** attach anything to the mount until after attaching the mount to the dashboard. Doing so makes it more difficult to attach the mount to the dash. **Please note:** If you screw into the mount it will be considered used and therefore non-refundable.

The ProClip mount and/or holder in the installation pictures may look slightly different from the one you have received. However, the same instructions apply. If you have questions call our customer service at **1-800-296-3212** or **+1-847-388-7171**.

ProClip USA, Inc. may not be held liable for any personal injury or damage to a vehicle or device, resulting from accident or improper use or installation, before, during or after the installation or removal of this mount and/or holder.

1. Press the thin end of the enclosed gap opener into the gap between the navigation system and the surrounding panel frame, to widen the gap. Peel off the cover of adhesive tape on the ProClip. Place the angled edge on the right side of the ProClip against the widened gap in the same height and position as shown in the picture.

2. Press firmly forward on the right side of the ProClip so the angled edge goes into the gap above the gap opener. Press until you see or hear/feel it snaps into place. Pull out the gap opener.

3. Press the gap opener into the gap between the air vent panel frame and the dashboard frame. Press firmly forward on the left side of the ProClip so the grooved edge goes into the gap above to the gap opener. Press until you see or hear/feel it snaps into place. Pull out the gap opener.

4. The ProClip is in place.
